## H. J. Hiscox Appointed Manager Whitby Bank

Horace James Hiscox, manager of the Newmarket branch of the Dominion bank has been appointed manager of the branch at Whitby. Mr. Hiscox opened the Newmarket branch in 1948.

He will be succeeded by Murray R. Roberts, formerly a manager at branches in Mount Albert and Parkdale, Toronto. He had previously received extensive banking experience at branches in Toronto and Western Ontario.

While in Newmarket, Mr. Hiscox took an active part in community affairs. He was a member of the Newmarket Lions Club, the Newmarket Veterans' Legion and took an active interest in the Boy Scouts campaign fund. He was treasurer of the Community Memorial arena campaign fund and treasurer during its first year of operation.

He has been active in several other community campaigns.

## CHURCHES TO MEET NEXT SUNDAY FOR RELIGIOUS SURVEY

A meeting of church congregations under the auspices of the Newmarket Ministerial Association is being held Sunday night at Trinity United church. The purpose of the meeting is to promote home religion and to organize a religious survey of Newmarket.

The meeting will be held at 8:15 p.m. and the association extends an invitation to everyone. It will be conducted by the president of the Ministerial Association, Rev. A. L. Sanderson, national director of the Home Bible League, will introduce the film and explain the home visitation work. An offering in aid of the Canadian Home Bible League is to be received.

## PLAY POSTPONED

The Newmarket Dramatic Club's play, *Arsenic and Old Lace* has been postponed until March 30 and 31. The production had been scheduled for March 9 and 10. The play had to be postponed because of sickness among members of the cast.

The president of the club points out that all tickets sold will be honored on the new dates.

## MAIN ST. BLOCKS RECENTLY SOLD TO TORONTO DOCTOR

Two real estate transactions recently resulted in the sale of two valuable Main St. properties in Newmarket. Dr. Bernard Liebel, a Toronto medical specialist has purchased both buildings.

The two buildings sold were the Wesley block, corner of Main and Botsford Sts. and the former Royal Hotel building near Millard Ave.

Mrs. Arlene Link, Island Grove real estate agent who sold the Wesley block said, "There seems to be a lot of people interested in Newmarket properties, now, especially on Main St. There are persons looking for a few acres for a factory and others are interested in vacant lots for homes," she said.

Reasons which have been suggested for increased speculation in Newmarket properties are the rising real estate prices in Toronto and the prospect of amalgamation in the future.

## BYRON BURBIDGE ELECTED PRESIDENT POLICE ASSOCIATION

Chief Constable Byron Burbidge was recently elected president of the York County police association.

First vice president elected was John Shepherd, Markham; second vice president, Chief Constable Fisher Dunham, Aurora; secretary-treasurer, William Hill, Newmarket.

Delegates appointed to the police association convention were John Shepherd and Byron Burbidge. Elected members of the executive board are William Martindale, Toronto, William Meyers, Toronto, and William Langman, Aurora. The association consists of the county police force and members of all municipal forces north of Steele's Corners.

The association's annual Policemen's Ball is being held at the Royal York hotel, Toronto, on Wednesday, April 18. Proceeds go toward the policemen's benevolent fund.

## Urge Services Of V.O.N. To Continue In Aurora Disbands End Of March

Public expression has been heard by the Aurora town council to continue the services of the Victorian Order of Nurses. The order had decided to end its activities on March 31. Last Monday night the council decided to call a meeting of the V.O.N. board, members of council and the York county health unit director to discuss carrying on the service.

Councillor Davies and Cook were named as a committee to gather as many statistics as possible about the past V.O.N. activities for the next meeting of council.

"The first question I asked when the county health unit was being brought in was about the disposition of the V.O.N.," said Councillor Davies. "I regret that I did not stress that more."

"Apparently the V.O.N. board is disbanding the service for financial reasons," said Reeve A. A. Cook.

"It was understood when the health unit came in that it would not conflict with the V.O.N., the main reason being that the unit would not do any bedside nursing like the V.O.N. does," said Mayor Alex. Bell.

One suggestion was that Aurora get together with King and Whitechurch townships and New-

market to form a V.O.N. service for the four municipalities. It was suggested that information be obtained from another county which has both health unit and V.O.N. services.

Said Mayor Bell, "Maybe we could take this bedside nursing service ourselves by engaging part time nurses in the community."

"Many of the women in the community have found the service useful," said Mrs. Fielding. She said that many people have paid for V.O.N. services. The V.O.N. also gives nursing service to families who are unable to pay. According to Mrs. Fielding, the order would need \$3,500 from the town to carry on its services, plus a car.

If council feels that the service should go on, I think we should have a public meeting," said Reeve Cook.

## Legion-Sponsored Essay Contest Closing Date Set At March 14

Interest in the Canadian Legion essay contest last year has prompted the Ontario Command to sponsor a contest this year in conjunction with education week.

Letters have gone out to schools in Newmarket announcing two contest divisions for students. Boys and girls in grades 5, 6, 7 and 8 may write approximately 500 words on either Remembrance Day or the Four Freedoms.

Young people in grades 9, 10, 11 and 12 may write about 1,000 words on either Canadian Unity or Canada's Influence in the United Nations. Closing date for the contest will be March 14.

Cash prizes are being donated by the Newmarket branch of the Canadian Legion and other organizations.

Have you given to the Crippled Children's campaign yet?

## TORONTO SUPERINTENDENT

## Tells Of Trends Shown By Hope Report

"One purpose of the Hope Commission was to clarify the aims of schools beyond the teaching of skills," said Z. C. Phimister, superintendent of public schools for Toronto in an address to the Newmarket Home and School association. He spoke on some implications arising from the recent Royal Commission report on education.

In praising the Prince Charles school, Mr. Phimister called attention to its many modern facilities, combined so harmoniously within its architectural design.

"Such schools herald the changes in education. We hear from all sides that our schools are not beacons of light, but mirrors of confusion," he said. "There is in the world today a great deal of confusion in all realms of thought. The shadow of war is upon us."

"Out of that confusion people have tried to find light. In Britain, even when the lights were

out in the streets they were discussing and thinking about the education of their youth. One year before the war ended their educational act was passed which will serve as a blueprint for education for 50 years to come. The same thing is true in the United States, in the Scandinavian countries and in Ontario. In 1945 a Royal Commission on education consisting of 21 persons was appointed in Ontario.

It was working for four and a half years at an estimated total cost of \$300,000, said Mr. Phimister. The report was handed by Mr. Justice Hope, chairman of the commission, to Premier Leslie Frost on December 21, 1950, but has as yet not been considered or acted upon. Mr. Phimister in his talk, dealt with two changes, organization of schools and program of schools which might result if the report is accepted.

"What is the real purpose of education?" he asked. "Twenty-two persons are employed full-time in Newmarket to teach the

children in the public schools. Their sole task is not to instruct in reading, writing and arithmetic.

"Every society has taught its youth. The North American Indians taught the skills of the tribe, but beyond that they taught an attitude to life which was very important to them. They must never show any signs of pain."

"These qualities of stoicism are not considered important in our present-day society. We have a different attitude toward life which we wish to teach our children. In the Hope Commission, the aims of education beyond the teaching of certain skills have been set forth: to develop the capacity to apprehend and practice basic virtues, to develop the power to think clearly, independently and courageously, to develop talent to understand the views of others and to express one's own views effectively, to develop competence for a suitable occupation."

AUBREY DAVIS

## Leading Figure In Community Life, Aubrey Davis Dies

There were few residents in Newmarket and other communities in the district who were not affected by the death of Aubrey Davis early Monday morning this week. Mr. Davis' death came suddenly after an illness of only a week and it was a shock to many who knew Aubrey Davis. His death saddens all those who knew of the influence this family has had on the district for two generations.

Born in King February 2, 1878, he was the son of the late Hon. Elihu James and Margaret (Johnston) Davis. His father established a tannery business at Kinghorn which was moved to Newmarket after the turn of the century. Aubrey Davis and his brothers, in the generation that has passed, built up the Davis Leather Co. into the largest tannery business in the Commonwealth.

He was educated at public school, King, Aurora high school and Commercial College, Toronto.

In King twp., Mr. Davis was particularly well known for his interest in conservation and reforestation. He sponsored a survey in the township in 1937 which was published in a book called "Natural Resources of King Township" in 1938.

On December 2, 1902, he married Etta, daughter of Richard Pettit, Appin, Ont. She predeceased him. One son, Bruce P. Davis, K.C., lives in Toronto. Other survivors are sisters Mrs. Alfred Webb (Edith), Newmarket, Miss Mabel Davis, Newmarket, and brothers Elmer and Harold, both of Kingston, and Andrew J. and E. J. Davis, Jr., both of Newmarket.

In World War I Aubrey Davis organized the North York Patriotic Association and helped recruit the 127th and 220th battalions. He served in Canada, Britain and France with the 220th battalion, 3rd reserve battalion, 8th reserve battalion, 2nd Central Ontario regimental depot and 31st battalion.

During the Second War he gave two years of voluntary service at Ottawa to the war supply board and its successor in co-operation with the leather and shoe industries.

He was an ardent member and supporter of Trinity United church, Newmarket, a member of A.F. and A.M. for over 50 years, past master of Robertson Lodge 292, member of Tuscan Lodge, Newmarket, member of the Scottish Rites, 32 degrees, of the Dece Chapter, Newmarket, and life member of St. Geoffrey Percepsory and a member of the Rameses Temple, Toronto.

The funeral service was held at Trinity United church, Newmarket, Wednesday afternoon. There were over 250 floral tributes. Thirty-five members of the 220th battalion were present.

Pallbearers were nephews Ken, Ghent, Aubrey J., Harold, Neil and Donald. Honorary pallbearers were J. L. Carson, Hon. Chas. McCrea, K.C., Alex. C. Morris, Percy M. Fox, R. C. Berkinshaw, Mayor Joseph Vale, Jules Payan, H. D. Paterson, John R. Kumball, K.C., Robert Fennell, K.C., B. S. Vanstone, John I. Rankin, Noah A. Timmins, John A. McDougall, Heber Little and M. A. Thomson.

## No Decisions On Mechanics Hall, Aurora Leaves It To Committee

The Aurora council has made no decision on the disposal of the Mechanics' Hall. On Monday night it was decided to turn over tenders for the building to the property committee and for consideration of its disposal. The property committee's decision is expected to go on to the finance committee.

The Aurora Lions club has offered to purchase the hall for \$2,500, the Hart Manufacturing Co. has offered to rent the building at \$85 a month for the purpose of manufacturing defence equipment and the Aurora recreation commission has asked permission to use the building.

The commission has made no financial offer.

Council, so far, has not given special consideration to the fact that the building could be used for manufacturing defence equipment.

Said Reeve Cook, "With all the publicity about this building, maybe we should look at it more carefully. However, I think there should be just as much publicity about the number of other halls available. For recreation there will be a new high school auditorium, church halls, and we will have a public school auditorium, to mention a few."

"If the people want it, they can have it but they should know what they will have to spend on the building to put it in shape," he said.

Mrs. Fielding put a motion forward that the council's publicity committee meet to prepare a brief on the subject.

"I am not in favor of the motion," councillor Davies said. "The council has been elected to act in the best way it can. It's up to council to make the decision."

"Some think that we are not doing this business for the good of the town. But as soon as we take over the building, we would have to put in a heating plant at a cost of \$1,398. I think the offer of \$2,500 for the building is a generous one," said Mayor Bell.

"I don't think I have sufficient information to say tonight who should get the building," said the Reeve.

## RED CROSS DRIVE

The Newmarket branch of the Red Cross is making plans to conduct a campaign to raise funds in Newmarket this month. No date has been set as yet, according to the Red Cross executive. The campaign chairman who will be in charge of funds for the local branch is Alex McKay at the Bank of Toronto.

## KIWANIS MUSIC FESTIVAL

## Aurora, District Singers Win Honors

Singers who competed in the Kiwanis music festival in Toronto from the district have brought home honors again this year, particularly choirs from Aurora.

Outstanding among choirs winning shields in the festival were the Aurora United church junior choir and the Aurora high school boys' ensemble, who received high praise from the English adjudicator, Gordon Horne.

The adjudicator complimented on their performance and said he knew of no similar choir in England with such a high standard as that attained by the Aurora United church junior choir.

Other choirs winning shields were the Aurora high school girls' choir, chosen to sing at the Stars of the Festival concert in Massey Hall, the Aurora public school mixed choir, the Aurora public school junior choir, girls' choir and two-part choir and triple trio.

Second places were awarded to the Aurora United church senior choir which received a \$50 award, the high school mixed choir, the high school girls' Glee club and the public school boys' choir.

In the soloist classes, Donna Case was awarded first in the girls under 12 group and second in the under 13 age group.

Don Watson placed second in the operatic baritone group, second in the open baritone and second in the baritone under 21 years group. Ted McClelleny was second in bass under 21 and Jane Barnes second in girls under ten.

Those winning third places were Anne Stephenson, Oak

Ridges, soprano, under 21, Margaret Barrager, girls under 15, Marilyn Allen, girls under 13, and Lorna Elmer, in the group for girls under 12 and 13.

All the choirs and soloists were trained and conducted by Ilyd Harris, Aurora and were accompanied by Mrs. Harris.

Carol Knights, formerly of Queensville was awarded \$2 marks, highest of the festival. Besides winning two first awards she was winner of the Rose Bowl competition, female voices, amateur finals and a scholarship. A contralto, she sang the Handel oratorio solo, "Weep No More".

The King public school took 70 marks in the festival, entering a class for one or two-room school choirs. Miss Dorothy Armstrong was accompanist for the children. They sang the Evening Prayer from Hansel and Gretel. Their instructor is Mrs. Winters.

According to the East Gwillimbury assessor's census report, the township's population is growing. The census population figure is 4,141.

## LIGHTS FOR NORTH END

The number of street lights in North Newmarket will be increased. A plan is being made by East Gwillimbury township for the installation of lights, the number and location being determined by the residents of the district.

## 4,141 IN EAST GWILLIM.

According to the East Gwillimbury assessor's census report, the township's population is growing. The census population figure is 4,141.

**Over 30 Hogs Killed For Bacon Show March 13 At Newmarket Town Hall**

Over 30 hogs were slaughtered last Friday at the Canada Packers' plant in Toronto to be processed and prepared for the Bacon Show being held in conjunction with the York County Seed Fair at Newmarket next Tuesday, March 13.

After a week in cure the carcasses will be taken to Newmarket where one side of each hog and a cross section of the other side will be hung on display. These hogs were selected by the various township committees of the York County Hog Producers' Association and interest is unusually keen this year.

According to W. M. Cockburn, Newmarket, who is secretary of the show, a number of entries for the Seed Fair are in already but the end of the week brings the rush. A number of local seed and feed merchants have booked space for commercial displays to round out a balanced show.

The afternoon program will start at 1 p.m. when the judging of exhibits will have been completed and visitors will have an hour or so to inspect the displays before the more formal program. Dr. J. D. MacLachlan, the new president of the Ontario Agricultural College, who is to be guest speaker, will be the first president to speak at the Seed and Bacon show. Raised on an eastern Ontario farm, he has the interests of farmers at heart. Following the discussion of the bacon carcasses, the ten bushel lots of registered seed will be sold by auction.

**UNION STREET**

The National Film Board will show slides at the Maple Hill school Tuesday evening, March 13, at 8 p.m. Everybody welcome.

CANADIAN  
PLOWMEN  
ABROAD

by V. C. PORTEOUS \* Director  
ONTARIO  
PLOWMEN'S ASSOCIATION

Editor's Note: This is the seventh and final of a series of  
weekly stories which V. C. Porteous, a director of the Ontario  
Plowmen's Association, is writing about the visit of Canada's  
champion plowmen to the British Isles, Belgium, Denmark  
and the Netherlands.

Belfast, Northern Ireland: If everything went  
smoothly here with never a hitch of any kind then I  
suppose this wouldn't be Ireland. Being of Irish descent  
I can say this without having to duck... or at least I  
hope so.

We came over to Belfast from  
Scotland by boat but because of  
some misunderstanding about  
our itinerary the welcoming com-  
mittee met a different boat at a  
different pier. As a result we  
had to make our way to the  
hotel unescorted. However,  
once we were installed in the  
hotel a few telephone calls got  
things untangled, although the  
welcoming committee, complete  
with band, had been waiting  
over an hour. For the rest of  
our stay in the "Emerald Isle"  
we managed to keep the schedule  
without any major upset.

About the first thing we  
learned upon arrival was that  
the maple tree planted in front  
of the city hall by Alex. McKin-  
ney, Brampton, last year's team  
manager, had died. Accordingly,  
and with due ceremony, we  
planted a new one but this time  
it was an eight foot tree instead  
of a sapling. The tree was made  
available by the Ontario Horti-  
culture Association through the  
Imperial War Graves Commis-  
sion. Later we figured amongst  
ourselves that as the new tree  
was planted in the right phase  
of the moon it should survive.  
If it doesn't, then all the Irish  
legends about the growing pow-  
ers of the moon must be re-  
vised.

The next day, which was Sat-  
urday, we attended a local  
plowing match at Killead. It  
was held on the farm owned by  
Bobbie Irwin who, many of you  
will remember, was one of the  
overseas contestants at our 1948  
international match at Lindsay.  
It was good to see Bobbie again  
and he asked to be remembered  
to all his friends in Canada.

Sunday we drove to Portrush  
for lunch. We returned to Bel-  
fast by what is called the East  
Shore road. We passed through  
the Glen district which even at  
this time of the year is beauti-  
ful. In summer it must be beau-  
tiful beyond description.

Monday we toured the busy  
city of Belfast, which in many  
respects is much like a Canadian  
city. At night we were guests  
at a dance which the boys, and  
I'll admit myself as well, enjoy-  
ed very much. But we didn't  
stay too late because the boys  
had to practice the next day for  
the big Northern Ireland match.  
It was perfect plowing weather  
for the match and about  
15,000 spectators and contestants  
were on hand. Taking all in all  
it was a good match and the  
North Ireland Plowing Associa-  
tion, sponsors of the match, de-  
serve a lot of credit.

Herb Jarvis had trouble with  
his team of horses, although they  
went nicely the day of the prac-  
tice. But once they got in the  
crowd they wouldn't respond  
and as a result Herb lost ground  
which he wasn't able to pick up  
again.

Hugh Leslie, the tractor cham-  
pion, made a good start which he  
managed to maintain with the  
result that he won the Festival  
of Britain cup. This was the  
highest standing among the  
overseas competitors of which  
there were about 19, including  
some from Switzerland, Holland,  
England and Scotland. In case  
you wonder why the last two  
countries are classed as overseas  
I might remind you that there  
is still the Irish Sea.

Hugh's win means that each of  
the boys has won a trophy. Herb  
won in the overseas class at  
Cornwall which I mentioned in  
an earlier letter.

The following day we resum-  
ed our sightseeing and visited  
one of the largest cordage plants  
in the world. It was a revela-  
tion to see what goes into the  
manufacture of binder twine and  
rope.

Later we attended a confer-  
ence to discuss the possibility of  
setting up standard rules govern-  
ing plowing at international  
matches. There were represen-  
tatives from most of the plow-  
men groups in the United King-  
dom, but I am sorry to report  
that we did not arrive at any  
unanimous decisions. However,  
the meeting was a beginning and  
my feeling is that Canada should  
take the lead in this matter as  
there seems to be too much riv-  
ality between the groups over  
here. I'll deal more fully with  
this project in the future at  
meetings of our own organiza-  
tion.

This weekend I left the boys  
for the first time since we start-  
ed together more than six  
weeks ago. I went up to Ennis-  
killen in County Fermanagh to  
the home of my ancestors. I was  
successful in locating the very  
ground that my great-grandfather  
farmed. When I examined the  
land I wasn't in the least  
surprised that my grandfather's  
people left it for Canada. I  
suppose many Canadians feel  
the same way when they catch  
the first glimpse of their ances-  
tral homes in these Isles. The  
broad acres of Canada have a  
way of spoiling us, I'm afraid.

We are now leaving for Scot-  
land where we will take the  
plane from Prestwick to fly to  
Canada. The chances are that  
by the time you read this we  
will be home. We've covered a  
lot of territory, met a lot of peo-  
ple and enjoyed every minute of  
it but just now home seems to  
be about the most important  
place in this world. And now,  
for the boys and myself I'll say  
goodbye and I hope we'll all  
meet at the 1951 International  
Plowing Match at Woodstock.

York Members Of  
Maple Cattle Breeders  
At Newmarket, March 14

The annual meeting for the  
York County members of the  
Maple Cattle Breeders' Associa-  
tion will be held in the parish  
hall at Newmarket on Wednes-  
day, March 14, at 1:30 to receive  
the annual report and elect di-  
rectors for the coming year.

Last year it was suggested by  
some of the members that the  
breeders in York county should  
have their meeting separate from  
the general meeting to give them  
an opportunity to discuss prob-  
lems pertaining to York.

When this was approved by  
the board it was felt that since  
the general annual meeting  
would be held at Maple on  
March 27 it would be in the in-  
terests of the membership as a  
whole to hold the county meet-  
ing at Newmarket this year.  
As there are some important  
amendments up for considera-  
tion, it is hoped that the mem-  
bers from all over York will  
make a point to attend.

It is interesting to note the  
growth of this organization which  
was originally set up to serve  
the Maple district. During the  
past year two groups were or-  
ganized by the dairymen at Pow-  
assan and Verner in the North  
Bay area, as well as at Owen  
Sound in Gray county. Two  
weeks ago the first shipment  
was made to Fort Francis almost  
on the Manitoba boundary in  
Rainy River district and a sec-  
ond centre is practically organ-  
ized in Gray county.

A large part of the work of the  
Water Resources Division lies  
with problems relating to inter-  
national waterways. Those cur-  
rently active cover almost the  
entire length of the interna-  
tional boundary between Canada and  
the United States.

Larry is trying hard to gain his balance with the aid of these  
special parallel bars. The Woodeden Cerebral Palsy Training Cen-  
ter, operated by the Ontario Society for Crippled Children, provides  
special training devices so that handicapped youngsters like Larry  
may walk like other children. They may continue their training  
this year by the sales of Easter seals which the Newmarket Lions  
club is sponsoring.

East Gwillimbury Refuses  
Tax Levy For Farm Federation,  
Sees Marsh Drainage Problem

A deputation at the East Gwillimbury township  
council meeting this week asked for a 1/2 mill levy on  
all farm property in the township to support the Federa-  
tion of Agriculture in the township. Such a levy would  
amount to \$700. The council turned down the proposal  
and gave a grant of \$300.

R. J. Rogers, Sharon, was ap-  
pointed by the council to act as  
civil defence co-ordinator to  
work with the York County com-  
mittee recently formed for civil  
defence organization.

The township awarded the Cox  
Construction Co. a contract for  
crushing stone and delivering  
gravel in the township at 75  
cents a ton. The contract calls  
for 1,000 tons. A weed and  
brush sprayer has also been pur-  
chased at a cost of \$1,764.

Council members had con-  
cluded that the spray method is the  
only effective way to control in-  
creasing weed and brush growth.  
The sprayer purchased can also  
be used for fire fighting.  
W. J. Smith, Toronto, has been  
given notice by the council indi-  
cating that he will no longer be  
permitted to pump water from his  
property into the Nelson  
drainage ditch. Mr. Smith owns  
a large area of undeveloped  
marsh land north west of  
Queensville. The Nelson ditch  
is the only outlet for the system  
of land drainage along Second  
St. According to township offi-  
cials, the large volume of water  
being drained through the Nel-  
son ditch has backed up and  
another outlet will be required  
from the Smith lands.

The township road superin-  
tendent has purchased 75 tons of  
calcium chloride which will con-  
trol dust on many roads in the  
thickly populated areas.

Relief costs during February  
were \$700. Members of council  
had voiced an opinion that the  
costs were too high considering  
the present prosperous times. On  
investigation of statistics it was  
discovered that persons receiving  
relief were not capable of earn-  
ing a living at the present time.

Relief, hospital and charity  
costs have amounted to nearly  
\$1,000 a month for East Gwillim-  
bury.

posited the post office they had  
noticed as they passed in their  
car so down town she and I went  
so she could really see them  
from the Jack and Jill shop, you  
know, with children's things,  
right down Main St. to the wool  
shop at the corner, run by Mrs.  
Goudhauff, a new citizen who  
lately came to town from Hol-  
land.

The three bake shop windows  
are certainly tempting. I notice  
the young chaps from high  
school and Pickering College en-  
joy their dainty, toothsome  
cookies and cream puffs and  
honey doughnuts.

But going back to Mr. Budd's  
train-load of baby portraits, it  
really is unique. But then there  
is always something attractive in  
that window, parades, carnivals,  
unveiling of monuments or a  
window full of brides' Newmar-  
ket has always been noted for  
splendid window dressing and  
now the fine weather will soon  
be here and we can take time,  
without freezing our ears and  
noses, to really appreciate the  
fine displays all the way down  
Main St.

I had a letter recently ask-  
ing if I'd seen any signs of  
spring as yet. It was a lovely  
letter and I'll be answering it  
soon, Merry Lips. (You have a  
cute pen name!) Yes, I've seen  
the tiny sparrows taking baths  
in the puddles left by this mild  
weather all along the streets.  
But then I've seen them taking  
dips in little pools and puddles  
in mid-winter, so perhaps that's  
no sign. Well! Spring is surely  
just around the corner for the  
sunshine really is warm (when  
it shines!)

MAIN STREET

With more balmy days now, it  
allows one to linger downtown  
and admire the attractive shop  
windows on Main St. I think I  
did tell about the delightful St.  
Valentine's displays in the two  
florists' shops the other week and  
the variety of Valentine greeting  
cards at the Marigold Shop, and  
the particularly beautiful St.  
Valentine heart in Mr. Yates'  
jewellery shop next door and all  
his glamorous jewellery.

Farther up the street in Mr.  
Elman Campbell's window was a  
huge china teapot. I never saw  
such a large, fat, jolly teapot  
ever before except one, and it was  
a Rockingham ware huge  
Brown Betty! But this one was  
a beautiful china one. Why is it  
that beautiful china always ap-  
peals to every woman's heart? I  
have a deep abiding love for  
teapots always.

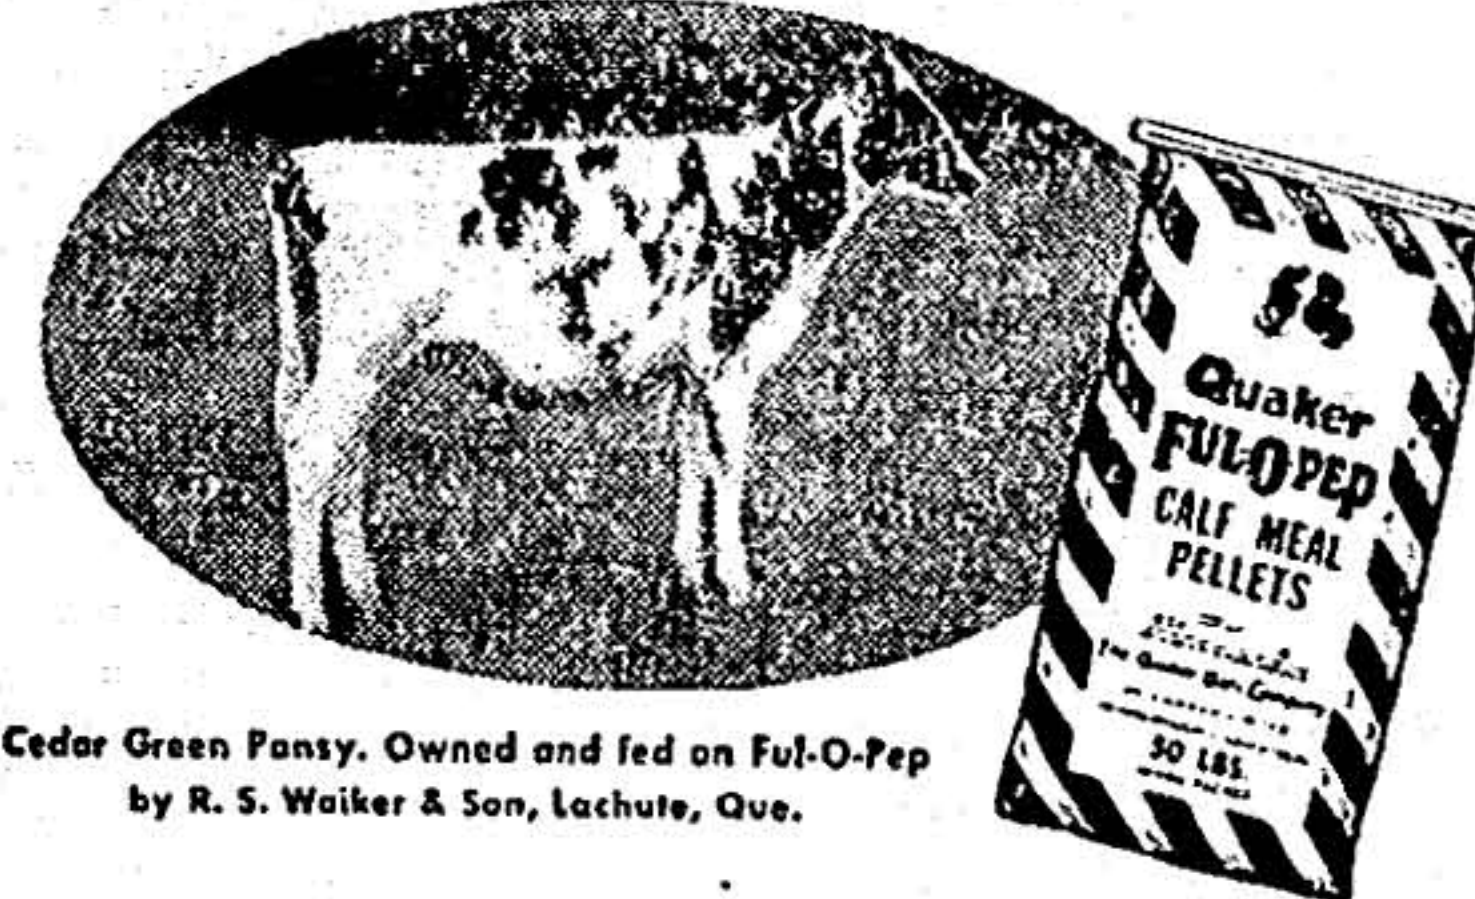

Now I have another attractive  
window to tell you about today.  
I took it on myself to call up the  
designer of this unique display  
and ask him to please leave it  
in his window so I could tell you  
folks to be sure and see it. Oh,  
didn't I tell you? Why, it's Mr.  
Budd's window next to the post  
office.

I'm getting ahead too fast!  
My pen can't keep up with my  
racing thoughts! I'll slow down  
and begin at the beginning. I  
was in Mr. Budd's photo store  
the other day and he was very  
busy cutting out babies' photos  
from a pile of lovely baby  
photos and he explained he was  
making a window display of all  
the babies he had photographed  
in the past year. Naturally, I  
was interested and when he ex-  
plained further what he was go-  
ing to do, I certainly was de-  
lighted and you may be sure I  
watched his window for results.  
For I felt sure it was going to be  
something unique and out of the  
ordinary. I assure you it is ex-  
actly that!

Mr. Budd has cut out a loco-  
motive with tender and cars and  
in behind is painted appropriate  
scenery with a farm house, trees  
and landscape. The train is  
loaded with babies and he has  
them all numbered. Babies and  
young children are Mr. Budd's  
specialty and he sure has some  
grand photos. The babies ride  
on the cow-catcher, on the smoke  
stack, all over the engine, and  
the cars behind are packed with  
small folks.

Mr. Budd is always having  
something unique in his win-  
dows but he isn't the only one  
of our town merchants who  
knows how to dress his win-  
dows attractively. I had a  
friend here from Oshawa a while  
ago and she was particularly en-  
thusiastic over our Main St. shop  
windows. There were two op-

BIG VALUE

YOUR TELEPHONE is one item that takes a smaller  
part of your budget than it used to. Its cost  
hasn't gone up as much as most other things.

And the way it works for you... the errands  
it runs... the shopping it does... the time,  
steps and worry it saves! It's always on the  
job, ready for any emergency.

In another way, too, the telephone is bigger  
value today than ever before. Now you can  
reach twice as many people as you could ten  
years ago.

Friendly, helpful telephone service is one of  
today's big bargains.

IF YOU HAVEN'T YET GOT SERVICE  
You can be sure your neighbourhood will be served,  
and your place on the list protected. Taking care  
of people without service as quickly as possible  
is one of our biggest and most important tasks.

## THE OLD HOME TOWN

From the Files of  
25 and 50 Years Ago

MARCH 5, 1926

County Constable T. B. Kirk has presented a beautiful silver cup to the Newmarket public and separate schools to be held by the hockey champions.

Newmarket bowling club was held on Tuesday evening with 30 members present. W. R. Ferguson presided. Officers elected were: pres., J. J. McCaffrey; vice pres., Chas. E. Willis; sec., R. Pritchard; treas., P. A. Lister; chaplain, P. J. Anderson.

On Saturday evening Miss Jean Cunningham, Zephyr, was guest of honor at a miscellaneous shower held at the home of Miss Jessie Lockie. Miss Irene Myers read the address.

Mr. R. Stewart has purchased the residence on Huron St. known as "Kelman Homestead" from Mr. J. Hunt.

The local lodge of the Loyal True Blues entertained over 125 guests at an at home in the McCauley block on Tuesday evening. The entertainment took the form of a euchre and dance. Mr. Sidney Legge took charge of the dance floor. Deputy-Reeve Fred A. Lundy gave a brief address during lunch.

Mr. and Mrs. Harry Davis, Kettleby, have moved to their new home at Mount Albert.

The pile driving for the dam in connection with the drainage scheme was started on Monday at Bradford. The dam will be about a quarter of a mile from the bridge.

MARCH 8, 1901

Miss Heise, who graduated from Grace hospital, Toronto, and received her diploma is home for a couple of weeks.

Mr. and Mrs. A. Gilroy, Sharon, left for the Northwest last Tuesday. Mr. John Tate has moved into their house.

Ice cutting at Lake Simcoe is continuing. It is expected that 16,000 tons of ice will be stored at the Point for use next summer.

Mr. Will Brock, son of Mr. Brock, Ontario St., who has been working in Toronto for several months, was home on Wednesday before leaving for South Africa.

Mr. C. A. Terry has purchased the farm of the late George Rose, north of Queensville, and intends to move there in the spring and take up farming.

Fifty friends and members of the King Christian church held a donation party at the home of their pastor, Elder D. Prusser, Newmarket, recently. Addresses were given by Clinton Bogart and Joseph Rogers.

Mr. Bourchier Anderson, Sutton West, has been sworn in to serve on Gen. Baden-Powell's constabulary, South Africa.

Last Thursday night the new engine and new dynamo supplied the current for electric lighting throughout town until midnight, when the old plant continued the service. The light is very steady and more brilliant than formerly.

## The Top Six Inches

The current rumor reports that binder twine will be \$50 a 100 and we know definitely that baler twine is offered at \$40 a ton. Implement prices are going up and since last spring they added another 20 percent. Undoubtedly the cost of repair parts and repairs is doing the same thing. All this coupled with the fact that the price of milk is set for the rest of the year and that wheat is the same now as it was a year ago, really sets us back on our heels. And hard.

History repeats itself and the farmer is getting the squeeze again when prices of products that the farmer has to buy go up faster than the produce he has to sell. However our special concern today is something else again. Maybe it is just an isolated instance, but it is a very important one. This is the baling business.

We cannot think of any farm operation which became so popular in such a short time as baling did. From a rather modest start back in '46 until now the handling of hay and straw with balers became widespread beyond the hope of the most optimistic manufacturer.

There were many reasons for this. One was that the baler hit the market at the time of the worst labor shortage on farms. Another was that for every machine bought, much potential custom work came on the market. Owners of balers decided that only a large volume of baling could justify the investment and the work was available. Thus a lot of farmers got acquainted with the machine and some of them bought a baler the following year.

Undoubtedly the baler has a place in our economy. Without doubt it is a labor saver. As a means of doing away with heavy work like mowing and pitching it is unquestionably valuable. But we have our doubts on two more points which are equally as important. The baler certainly isn't the solution for the quality of hay in our climate. At 15 cents a bale, which we figure will be the charge in an other season or so, it will cease to be economical for the average farmer.

We have seen too much hay, last year especially, which look-

ed good in the windrow, didn't heat in the bale and came out dusty and musty this winter. This same hay would have been perfect if hauled in loose. We have seen too much hay caught outside baled when the weather was wet and catchy for baling. The string baled hay, no matter how good the operator is, will fall open and loose, having been handled from the ground to the wagon and from the wagon to the mow and maybe repiled for economical use of barn space. Finally we feel that the \$40 spent on twine is a total and irrecoverable loss and we cannot help but revolt against this extravagance.

We believe that the Ontario farmer, especially in this district, went overboard this time for a machine that will not prove itself in the long run to be what it is cracked up to be. You may well ask what the solution is. We feel that the old buck rake deserves another chance and maybe the stem-crusher should be given a second look. We cannot get away from the feeling that even if we had to pay much in wages for a limited time, we would be saving, considering the cost of baling.

An average 100-acre farmer will need about 2,500 bales of hay, more if he is a dairyman. He should have as much straw as well. One thousand dollars, yes we said a thousand dollars, will bale for him 6,000 bales. Are we prepared to spend it and still have to haul it with no more assurance than before that the quality is going to be good?

On the side we would like to see an impartial investigation into this business of twine prices. We would like to see expert opinion concerning the feasibility of reworking used baler twine. Before the goose that laid the golden egg for so many baler owners breathes its last breath, we would like to see some smart custom operator who would guarantee a certain number of bales in the ton, or offer to work by the acre or even by the ton.

We may be old fashioned, but as far as we are concerned, the pick-up baler is on parole until further notice.

## MEMBERSHIP HIGHER AT CHURCH IN KING

The membership of All Saints Anglican church has considerably increased during the past year according to reports at the annual vestry meeting. All departments show activity in the W.A., the Girls' Auxiliary and the Sunday school.

The general account shows total receipts of \$1,845.30. In this amount, open collections amounted to \$290.61; envelopes \$941.68; Easter and Harvest offerings, \$148.33; endowments plus a grant from the W.A., \$203.10. More than \$30 was raised for the Manitoba Relief Fund.

In the mission account total receipts were \$226.84 of which \$147 was given to the Synod allotment. The building and church decoration fund continues to enlarge. With the balance carried over from January 1, 1950, the total figure stands at \$1,742.88. After defraying decoration expenses, the balance by December 31, 1950, stood at \$1,675.88. The account includes donations from two persons amounting to over \$300.

Church officers for the coming year are: rector's warden, Ray Burt; peoples' warden, Stanley Watson replacing George Hatley who held the position for 27 or 28 years; vestry clerk, Mrs. Frank Armstrong; treas., Mrs. G. D. Lockhart; lay delegate to the synod, James Keens; organist, Donald Rawlings, assisted by Freda Dent; W.A. pres., Mrs. Ray Burt; G.A. pres., Mrs. Ross Walker; S.S. superintendent, Gordon Tetley; church caretaker, Mrs. Harry Cunningham; grounds caretaker, Ross Rawlings.

## SCHOMBERG

(Received last week)

Mrs. M. Hague left for Sudbury on Thursday where she intends to stay for a couple of weeks.

Mr. and Mrs. J. Donnan, Tottenham, and Mr. and Mrs. Fred Davis and Mr. John Bryan, Aurora, visited Mrs. Wm. McKinley on Sunday.

Mr. and Mrs. Bernard Sutton, Sudbury, visited the latter's parents, Mr. and Mrs. Wm. Marchant, and other friends in town on Friday.

Mrs. Frank Marshall, King, visited friends here over the weekend.

Mrs. A. Brown, St. Catharines, is spending a few days with her mother, Mrs. E. Ferguson, who is ill.

Little George Watson, who has been ill most of the winter, is in the Hospital for Sick Children undergoing treatment. We wish him a speedy recovery.

Quite a number have been confined to bed the past week with the flu.

Mr. and Mrs. Jos. Rogers and their son, Dr. S. Rogers, Toronto, called on Mrs. Wm. McKinley on Sunday.

Miss Doreen Hardiment and a friend of Toronto were guests of Mr. and Mrs. Wilfred Aitchison on Sunday.

Mr. and Mrs. Wilfred Aitchison, Mrs. McKinley and Della and Mrs. C. Dove were in Weston on Monday attending the funeral of Mrs. John McKinley, Weston.

## MOUNT ALBERT

The flu caught up with your correspondent this week; we spent the week in bed.

The Park Board had a very successful dance on Friday evening when those attending enjoyed dancing to Norm Baring's orchestra.

Nearly every house in town has been hit by flu or severe colds. Hope the worst will soon be over.

The United Church Sunday school will hold its At Home next Friday evening at 6:30. There will be a pot-luck supper and entertainment afterwards. Parents are asked to come with the children.

The late Frank West of Toronto was brought to Mount Albert for burial in the cemetery. He was formerly druggist here some years ago but since leaving here has been in Toronto.

Remember you may leave donations at the Post Office for overseas food parcels to be sent from the United Church.

Gifts of good second hand or new clothing and bedding may be left at Theaker's store for shipment overseas. There is still a great need for this so share if you can anything you can do without.

The Mount Albert Community Hall was the scene of the community's most successful entertainments in a few years when the Happy Doodles club of King Street United church, Oshawa, presented the 1951 Minstrel Revue.

The chorus work was excellent and always showed plenty of spirit. Mrs. Greta Burrows gave a skit about a colored lady phoning an insurance agent to place insurance on her husband who had been sentenced to be hanged in a few days. There were solos by Frank Burrows, Mose, Snowball, Lightning, Vernon Osborne and Joyce Osborne, Mrs. Ayres and Margaret Gomme. In addition there were several interesting duets and quartettes.

Mr. Lloyd Metcalfe was interment in a few years when locator and pianists were Miss Audrey Moffat, A.T.C.M. Mr. H. W. Vernon Osborne was the director. Proceeds were in aid of the public library.

## OTTAWA LETTER

by

"Jack" Smith, M.P.  
North York

The Farm Improvements Loan Act passed in 1944 and which since that time has extended credit to Canadian farmers to the amount of more than \$170 million will be continued in force another three years. Legislation to provide for this extension was brought in by the government this week.

The primary purpose of the Act was to fill a gap in the credit system which has been developed in Canada to meet the needs of agriculture. That gap related chiefly to the provision of intermediate credit and certain types of short term credit to farmers, for the improvement and development of farms and for the improvement of living conditions thereon. The act aims at assisting, particularly, the average farmer who in the past has frequently not been able to secure bank credit for these purposes. It aims, moreover, at providing credit in a form and under terms and conditions which are convenient and suited to the needs and conditions of the particular farm borrower.

The history of the Act is one of constantly growing and increasing usefulness. In the first full year of its operation there were 13,030 loans amounting to \$3,880,565. In 1950 there were 58,970 loans amounting to \$63,417,310.

Of all these loans 85 percent were for the purchase of implements and machinery. Other loans were for purchase of livestock, electrical installations, fencing, drainage, construction or repairs to buildings.

The repayment of loans has been very satisfactory and the net claims by the chartered banks on the government in the period the Act has been in force has been \$19,134.18. This is considered a very satisfactory record and there has been unanimous agreement here in support of the government's action in continuing in force this very practical and useful legislation for the benefit of Canadian farmers.

Indian Act  
Hon. Walter Harris, minister of Citizenship and Immigration, has introduced a measure to amend the Indian Act.

Indian legislation in Canada is almost 100 years old, the first Indian Act having been passed in 1857.

In the years 1946, 1947 and 1948, a special joint committee of the Senate and Commons made a very thorough examination of Indian Affairs. Representative Indians from all parts of Canada were here, in Ottawa, last week consulting with the minister and it is hoped as a result of these conferences a new deal will be given the Indian, giving him the measure of self-government which his status now requires. The Ladies' Aid held its monthly meeting at the home of Mrs. C. E. Bosdale, Court St., last Monday afternoon while the Parochial Guild held its meeting Tuesday evening at the home of Mrs. J. O. Little, Davis Dr.

The Parochial Guild is working hard to prepare for a St. Patrick's tea to be held in the parish hall a week from tomorrow, Friday, March 16. The Evening Branch of the W.A. held its Dorcas meeting at the home of Mrs. E. Pollock, Park Ave., on Monday evening and the Afternoon Branch is holding its monthly devotional and business meeting in the parish hall this afternoon when the rector will give a further talk on the study book. The study book this year is "The Moslem World".

WHITCHURCH  
HOME SCHOOL

Whitchurch S. S. 6 and 7 Home and School Association spent an enjoyable evening at S. S. 6 two Fridays ago with about 30 present. Although its numbers were greatly diminished by the flu the program was carried out according to plan.

Mrs. Yorke of the Ontario Federation of Home and School and Mr. Dewitt of the National Film Board used as their theme for the evening, "Canada's Family Tree". Mrs. Yorke stressed the importance of mixing with all our new Canadians and including them in our community activities. The social part of the special Founders' Day program included a sing-song directed by a film and refreshments.

You're 'in clover' these four ways!

Sometimes in your community, chances are that invested life insurance dollars are benefiting you by helping to build urgently needed public works. One of these might be a new, well-equipped school, encouraging your boy or girl to be a better, happier student.

It might be a modern highway, helping to relieve traffic congestion in your district. Life insurance dollars, invested for the future needs of policyholders, make it possible to build many such roads throughout the nation. Perhaps a new industry has recently moved into your town, creating jobs for many people, maybe for you. If so, it may be one of the industries that life insurance dollars have helped to build or expand. Other life insurance dollars play a part in building power plants, water systems and many other useful projects.

Families, too, benefit by these investments, which help make it possible for Canada's 5 million policyholders to enjoy double security — income for later years and protection of loved ones now. Thus life insurance promotes progress and security throughout the nation.

## News of the W.I. In North York

News for this column must be in the office Monday night. Copy must be written as briefly as possible and confined to news and reports. Other than routine reports and announcements will be printed separately.

Union Street branch met at the home of Mrs. David English on Thursday afternoon, March 1, with an attendance of 18. Mrs. Archie Sedore, the president, occupied the chair. The election of officers was postponed as so few members were out because of the 'flu. A nominating committee was appointed consisting of Mrs. Thomas Swanson, Mrs. Walter Rose, Mrs. Edwin Breen, Mrs. Irvine Rose, Mrs. Oliver Diceman.

A bus trip is being planned to Toronto on Tuesday, March 27, when several interesting places will be visited. Members are asked to take a box lunch.

The annual banquet for members and their families will be held at Sharon hall on Thursday evening, March 22, at 6.30. The next meeting will be held at the home of Mrs. Edwin Breen on Tuesday, April 3.

The Newmarket branch will meet in the agricultural board rooms on Thursday, March 15, at 2.30 p.m. The meeting is under the direction of Mrs. M. E. R. Boudreau and her group with citizenship as its theme.

Guest speaker of the afternoon will be Mrs. Nelson Ion, women's editor of The Era and Express. "Are we good citizens?" will be the topic of her talk.

King branch meeting will be held at the home of Mrs. Frank Armstrong on the evening of March 13 for a musical program. "My favorite composer" will answer the roll-call. The committee will be Mrs. W. G. McDonald, Mrs. B. J. Langdon, Mrs. Jack Walker, Mrs. Bob Walker and Mrs. H. Edwards.

At the Laskay branch meeting at 2.30 p.m. March 13, Mrs. Lawrie Boys will be hostess. A pioneer custom will be taken for the roll-call and the origin of St. Patrick's Day will be explained by Mrs. Boys. The topic will be in the charge of Mrs. Norman Etheridge. Lunch conveners are Mrs. Clyde Cairns and Mrs. Pearson Smeltzer.

The Snowball branch met at the home of Mrs. H. Morning on Wednesday last week with 16 members and seven guests present. The meeting was opened by the president, Mrs. H. Patrick, with the opening ode followed by the reading of the minutes by Miss Marie Morning. The roll-call was "Tell an interesting fact about Denmark".

The rest of the business was tabled until after lunch and the

guests, Mrs. Hansen and Mrs. Mortensen, who are natives of Denmark, displayed and explained a number of beautiful articles brought from Denmark. First was a large Russian linen table cloth with two panels of lace made by drawing the threads and working in a lace pattern then worked in the cross stitch in Copenhagen blue.

The China displayed was one of the oldest patterns in Denmark in blue with a soft white background. One linen runner was beautiful. It was worked in blue in the same pattern as the China. Mrs. Hansen had some lovely pottery and bronze ash trays.

Also on display was hand hammered silver flatware and costume jewelry. With the modern touch was a black oak hand mirror inlaid with small sterling silver hearts. After everyone had admired the linens, silver and looked at the books on Denmark, Mrs. Hansen brought out a menu from the restaurant owned by Oskar Davidsson. The menu was over a yard long. On one side it listed the sandwiches and there are 194 kinds. The other side showed pictures of the different kinds of sandwiches also of the girls and men preparing the food. We noticed that the same design as Mrs. Hansen's china used in the restaurant was had with her.

Lunch was then served of sandwiches and Danish pastry and during tea we were entertained with Danish music. Mrs. C. Copson thanked the ladies for a delightful afternoon and Mrs. H. Morning for the use of her home. A euchre was planned for Thursday, March 8. The committee is Mrs. Reddick, Mrs. Patrick, Mrs. B. Smith and Mrs. F. Williams.

The open meeting is to be held March 20 with a television show and music. A lunch will be served. The committee is Miss Webb, Mrs. Copson, Mrs. Cain and Mrs. Nesbitt; amusement committee, Mrs. Davidson, Mrs. Copson, Miss Harding. A quilt was planned for the district annual. The committee is Mrs. Farren, Mrs. Patrick, Mrs. E. Copson and Mrs. F. Williams.

The Pine Orchard branch of the W.I. will meet at the home of Mrs. Jack Syltema on Wednesday, March 14, at 2.30. Roll-call is a suggestion for our community improvement. Reading: Institute Collect, Mrs. S. Edwards. Paper: Public Relations.

## Business And Professional Club Celebrates International Night

International night was celebrated by the Newmarket Business and Professional Women's club on Monday, Feb. 19 with the holding of a dinner meeting at the King George hotel. There was a large attendance with many guests present.

A red, white and blue color scheme was used for the decorations. The floral centerpiece of red carnations, white mums and blue-dyed mums was very attractively arranged by Isobel Mitchell and received much praise. The place cards had red, white and blue tailored bows.

Miss Marlon McLean, Toronto X-Ana B. and P. club introduced the guest speaker of the evening, Dr. Marguerite Baillie. Dr. Baillie is past president of North Toronto Business and Professional Women's club. She spoke on the International Congress which was held in Britain last summer.

The Congress began in July in London and had as its theme "The trained woman". Miss Margaret Hickey, delegate from the United States dealt with the

international situation. Miss Barbara Ward, formerly of the B.B.C. discussed the contribution of the trained woman to everyday life. Lady Papler spoke on the housing situation.

The main banquet of the convention was held in the Guildhall and marked the first time in history that women had been given this privilege. As a result of the congress, the various federations were urged to aim for employment of women over 40, to stress the political education of women, to provide vocational guidance for adults.

To the question, "Is there anything a man can't do better than a woman?" Lady Astor replied with her usual ready wit, "Yes, have a baby."

After giving the members and their guests the highlights of the international conference Dr. Baillie took them on a word tour with her through England, Scotland, France, Switzerland and Italy.

Mrs. Myrtle Purcell thanked Dr. Baillie on behalf of the club.

## King City And District

The condition of Ruth Wilson, 17, who suffered a fractured skull when she recently fell from a moving car on an Aurora street, continues to improve. She is the daughter of Mr. and Mrs. Mervin Wilson, King. She is a student of Aurora high school.

Mr. and Mrs. Irving L. Scott are enjoying a vacation in Florida. They left King for Port Huron where they joined their cousins, Mr. and Mrs. Glenn Vining.

Mr. and Mrs. Edwin Robinson and other members of their family visited their son, George, living on Rosethorn Ave., Toronto. Last Sunday they found him improving from burns of the face and hands which he received while at work with the C.G.E. A flash fire caused the injuries.

With the exception of their budgie bird, a few water-soaked clothes and household lines and some silver flatware, Mr. and Mrs. Sam Gerace lost all their possessions in the recent Vaughan Gardens apartment fire at Toronto. Mrs. Gerace is the daughter of Mr. and Mrs. Arthur Magee, 5th line, King.

Friends of Miss Reta Regan, a nurse-in-training at St. Michael's hospital, Toronto, are glad to know she is improving after a serious operation there which has kept her in hospital for more than nine weeks. She is now able to move about her hospital room for a short time and has written her first correspondence within the past week. Reta is part way through her training course. She is the daughter of Mr. and Mrs. W. J. Regan, 5th con., King.

Five children of Mr. and Mrs. James McVeigh, Community Settlement, have been ill with measles and 'flu. The baby has virus pneumonia.

King community continues to fight against the 'flu epidemic, which has captured most households at one time or another.

Miss Carol Hatley was able to leave the Hospital for Sick Children a couple of weeks ago and return to school after five weeks' absence. She had been in hospital for observation.

Mr. Fred Harris, Hereford, England, arrived in Canada last week spending a few days with

**THE GRAHAM PLOW**  
A size for every tractor. Store moisture in your land and prevent the rains from running off by breaking up the hard pan formed at the bottom of normal plowing or disking. In plowing with a Graham Plow the hard pan is broken up by means of chisel furrows 12 inches apart. The surface is left as a protective cover on top of the ground. Moisture is passed by means of chisel furrows through the topsoil into the subsoil to be stored.

## IN MEMORIAM

**King**—In loving memory of William Henry King, who passed away March 6, 1945. Many a lonely heartache, Often a silent tear, Always a beautiful memory of the one we loved so dear. Lovingly remembered by wife, family and Frank.

**LeGresley**—In loving memory of a dear father who passed away March 3, 1950. When last we saw your smiling face You looked so bright and well; Little did we think, dear dad, It was our last farewell. If we could speak with you today, Joke with you in the same old way. Hear your voice and see your smile, Then life indeed would be worthwhile. Always remembered by son, George, and daughter-in-law, Edna.

**LeGresley**—In loving memory of a dear father, who passed away March 3, 1950. He is gone but not forgotten, And as dawn another year, In our lonely hours of thinking Thoughts of him are always near. Days of sadness still come o'er us, Friends may think the wound is healed, But they little know the sorrow That lies within the heart concealed. Always remembered by son, William, and daughter-in-law, Gladys.

**LeGresley**—In loving memory of a dear husband who passed away March 3, 1950. You're not forgotten, husband dear, Nor ever shall you be. As long as life and memory last We shall remember thee. Lovingly remembered by your wife.

**LeGresley**—In loving memory of a dear grandchild, who passed away on March 3, 1950. In our hearts your memory lingers Always tender, fond and true. There's not a day, dear granddad, That we do not think of you. Lovingly remembered by your grandchildren, Barbara, Bobby and Shirley.

**McNarnan**—In loving memory of a dear grandchild, Harriett E. McNarnan, who went to sleep Feb. 21, 1950.

## OBITUARY W. D. Richardson

A life-long resident of Vandorf, William David Richardson, who at his home, lot 9, con. 3, Whitechurch, on February 24 after an illness of ten days. He was born at Vandorf March 24, 1865, son of the late Elizabeth Ann Marsh and George Richardson. On June 8, 1892, he married Sarah Spaulding who predeceased him February 16, 1935.

Mr. Richardson's chief interests lay in his home, family, church and farm. He was a successful farmer, a good judge of horses and cattle and had served as director of the Aurora Agricultural Society. He was the oldest member of Wesley United church, Vandorf, and one of the few surviving members to have been present at the dedication of the present church building. For 55 years he had been a faithful member of the church choir and had served as both teacher and superintendent of the Sunday-school. He was a member of the Session and Board of Stewards.

He is survived by a son, George E., at home; a daughter, Mrs. G. K. Mayor (Ina), Barrie; sisters, Misses Maude and Louisa Richardson, Newmarket; and four grandchildren, Betty and George W. Richardson and Neil M. and Byron Mayor. Two brothers, Dr. C. C. Richardson and Dr. G. S. Richardson, and a sister, Mrs. J. W. Wilkinson, predeceased him.

Funeral service was held at Wesley United church on February 27 with Rev. E. C. Middle assisted by Rev. G. W. Lynd officiating. Interment was in Aurora cemetery. Pallbearers were John Petch, John Crawford, Albert E. Baber, A. H. van Nostrand, Herbert E. Oliver and Roy Morley.

**TELLS OF TRENDS** (Continued from Page 1)

pation, good health, aptitudes for recreation, characteristics for happy family relations, good citizenship and to develop the concept that education is a continuing process beyond the school.

"Complete reorganization of the educational system into three stages, elementary education, secondary education and further education has been recommended in the Hope report. The proposed divisions correspond to the stages of child development. Each division will be designed to meet the needs of the child at that particular stage of growth.

"The elementary education would include nursery schools, kindergartens and a six-year program in elementary schools organized into two divisions. The average child would complete the first stage at approximately age 12. The second stage of four years' duration would cover that period when, by law, a child must attend school.

"General education would be the prime purpose of these two stages. Further education would include junior colleges, technical institutes, apprenticeship training and part-time education.

"Wide changes in the courses of study, organization of classes and promotion of pupils have been recommended. Emphasis has been placed upon the advantage of permitting local adaptations in curricula and courses of study. It might work this way," said Mr. Phimister. "The headmaster and his staff would meet and decide what they will do for their pupils for the coming year, bearing in mind what they did last year, the children they will teach and the community in which they live."

Mr. Phimister illustrated how a local approach to such subjects as geography by linking up a local industry with the class work would carry more weight with the children and increase their interest.

"The concept of European countries in our schools is very off mark," said Mr. Phimister as he quoted excerpts from text books. "Another implication from this report on education beyond the local control of curricula lies in the greater choice of books in schools. We must give children practice in making choices.

"Schools will pay more attention to individual differences than in the past. The old examination system, pass or else, with a barrier over which students must grade results in certain wastage in society. We as teachers must look at these people who by law must come to school until they are 16. We must give them the environment which will bring them through a more wholesome development to full stature. Everybody must make the best use of his talents. For too long we have been inclined to look down our noses upon those who don't get the high marks.

Is not the youngster who tries his best, but is unable to succeed more deserving of praise and acceptance than the bright child who only half-tries but gets high marks?

"We have been content to accept obedience as discipline. Discipline is a deeper thing. It is self imposed. The schools can not reform society. They reflect it. The same standard as is found in the community, in its churches and homes will be found in its schools. Schools must hold up ideals, must teach of great people. But the children must choose whether they will follow in their steps or do more mundane things.

"The first half of the century had to do with things, getting away from scarcity to plenty. The second half has to do with people, human relations. Teachers dealing with children will begin to come into their own. It will require higher standards in training from teachers, but they will be proud of their professional opportunities in human relations. They can help bring the home, church and school into better relationship. The British expressed it concisely in their aim of education to provide a happier childhood and a better aim in life."

## Oak Ridges News

CORR. MRS. L. E. ROLLING, PHONE KING 8

Parents will have the opportunity of seeing their sons in a game of broom hockey with the Lions as challengers. Cub Ed Pallister will take the goal.

The construction of a 50 by 50 foot concrete base on Oak Ridges school grounds for basketball is being considered by the Lions club.

Bud Maguire, serving with United Nations forces in Korea and hospitalized in Japan, will receive a gift of cigarettes from Oak Ridges Lions who will make overseas gifts a policy to cheer up local Canadian soldiers.

Bud's father lives at Lake Wilcox. He has a foot wound.

Mrs. Bernard O'Brien, Lake Wilcox, hopes to see her husband home on embarkation leave this week. He is at Fort Lewis, Washington.

**Child Succumbs to Illness**  
Marie Szellars, aged five, daughter of Mr. and Mrs. Matthew Szellars, Lake Wilcox, was buried in Mount Hope cemetery, Toronto, on Wednesday, Feb. 28. Besides the parents five brothers and sisters survive. The little girl passed away in York County hospital following a prolonged illness. A floral spray was given by Lake Wilcox neighbors.

Attendance at Oak Ridges school is now on the upswing according to the staff as the 'flu epidemic and measles are nearly over. Scarcely a home has been free of the 'flu germ at one time or another during the last month. Mrs. S. J. Acheson, reserve teacher, has supplied for absent staff members.

Elizabeth Hanna is home from school with measles but expects to return to school next week.

Mr. Frank Legge, chairman of the Oak Ridges school board, has not been well lately having to submit to further medical examination following a surgical operation some weeks ago.

Mr. Bill Hudson returned from a Toronto hospital last Sunday where he spent two weeks following a leg operation. At present Bill is able to get about with the use of a cane.

Mrs. Edward McVey, a sister of Mrs. George McEwan, and her husband have now returned to Richmond Hill where they are established in a new hairdressing business. The McVey's remained in the McEwan home following a traffic accident on February 10 at Oak Ridges when both were injured.

We wonder how many remember when Smith played junior hockey and lacrosse in Aurora, later joining Toronto Aura Lee, when they had such players as Lionel Cunacher, the late Jimmy Green, the late Billy Burch, Arnold Mollenhauer, onetime Newmarket player, "Bullets" Applegath, and Bill Marsden who never played hockey in his life was a top-ranking coach?

We wonder how many remember when Smith played junior hockey and lacrosse in Aurora, later joining Toronto Aura Lee, when they had such players as Lionel Cunacher, the late Jimmy Green, the late Billy Burch, Arnold Mollenhauer, onetime Newmarket player, "Bullets" Applegath, and Bill Marsden who never played hockey in his life was a top-ranking coach?

Up north on business recently, and heard a few bits about some athletes known in these parts which we pass on. At the Soo, where we saw the new big Memorial Gardens, three former Newmarket Camp athletes are playing great hockey. Terry Boccia who led the mercantile league scoring in North York in 1940 is a standout with the Soo Greyhounds who are awaiting senior N.O.H.A. competition, and Wally Zyke, who played with the Camp team in 1943 is doing defence duty on the same club.

Whippet McMaster, another member of the No. 23 B.T.C. team of '43 is playing with Soo Legion who are top-ranking contenders for northern intermediate "A" honors. Like other centres the Soo teams are suffering from stayathomitis which appears to be affecting the hockey gates all over this season, and has both arena and team managements worried sick. The Soo Juniors were awaiting action from the Sudbury district where Spider Gibson, former Aurora junior, had a fairly good season last year. Gibson can stay on in the Nickel Belt circuit in senior next year if he wishes, but don't be surprised to see that old line of Orlie Thoms, Grant Firth and Don Gibson reunited with Newmarket Spitfires next season. Soo Juniors ousted Sudbury last week. Harry Pearce, who played hockey with Aurora Tigers in '40, has been going great guns in the Sudbury City league.

Bill Norton is the first vice-president, and Bill Cox an executive member of Woodbridge Legion Branch. Both boys need no introduction to Ontario lacrosse fans. With the 2,000 seating capacity in the new arena,

Mrs. Leo McDonald was confined to bed for ten days from 'flu but is slowly gaining strength. Four of the family were stricken at the same time.

Paul and Rae Harnden paid a surprise weekend visit to their grandmother, Mrs. Johnston, Owen Sound. Mrs. Johnston is expected to return to her daughter's home here in the near future.

Mrs. D. R. Gunn attended the funeral of the late Harry Jarvis held at All Saints church, King, recently.

Mr. and Mrs. Arthur Beaumier and their children, Bonnie and baby Linda, Toronto, paid a visit to their cousin, Mrs. Bernard O'Brien, Wildwood Ave., Lake Wilcox, on Sunday. Mrs. Geddes, mother of Mrs. O'Brien, is around again after a siege of the 'flu.

Mrs. Wilbert Jennings and her daughter, Donna, Temperanceville, visited her mother, Mrs. Norman Rumble, Bond Ave. Mr. Rumble will return for work with Ivan Bond, contractor, as the spring season opens up for building.

Mr. John Bradbury has taken an advanced position as draftsman with the United Steel Company. Mr. Bradbury has been unable to devote much time to his duties as Oak Ridges Cubmaster.

## RONALD MACINTOSH DIRECTS RIDGES CIVILIAN DEFENCE

The appointment of Ronald MacIntosh as chairman of the civil defence committee has been made by Oak Ridges Lions club. He will select a committee of five to work out a civil defense system.

Mr. MacIntosh is communicating with the federal minister of civil defense at Ottawa for information dealing with this program. He also plans to contact the municipal clerk of the townships of Whitechurch and King.

The Lions' selection of Mr. MacIntosh is well made. He has extensive knowledge in this field, having served from 1937-39 in the auxiliary fire service, volunteering for His Majesty's forces in November, 1939. He was evacuated from Dunkirk, was released from the forces to the national fire service in Manchester, England, being appointed divisional fire transport officer.

## Protect Oak Ridges Pupils With School Crossing Signs, Talk Of School Area System

The use of newly installed school crossing signs, advantages of the school area system, proposed dissolution of the boundaries of S. S. 13, Whitechurch, and the use of portable school buildings were among the subjects discussed at a meeting of Oak Ridges and Lake Wilcox Ratepayers' Association held on Monday night. President E. L. McCarron was in the chair.

Protection for children at Oak Ridges school crossing is now provided in the establishment of traffic warnings by the traffic division of the department of highways at strategic points on highway No. 11. Large folding signs in black and white operated by the school guard, William Foster, have slackened traffic.

A survey made by the traffic division of the OPP shows an improvement with the erection of the warnings. Major A. MacKenzie, M.P.P., wrote that the department has planned "to go along with the adjacent municipalities of King and Whitechurch townships and pay 50 percent of the cost of the construction of sidewalks from the school to the King side road". It also plans to have painted school crossing strips.

President McCarron said the signs are only valuable if operated on schedule. The department does not approve of them being open one minute beyond their actual use, he said. Otherwise the public disregards their purpose.

### Talk of School Area

The formation of Whitechurch township school area and the use of portable buildings were emphasized as possible methods to meet school problems facing ratepayers of S. S. 13, Whitechurch. There was a feeling that immediate pressure should be brought in the township council to seek means to alter the section boundaries to include the land east of Yonge St., now a portion of Union section No. 1 of King and Whitechurch.

It was pointed out that the boundaries had been legally set up by an arbitration board, which gave 30 days to appeal the decision. According to the school act no change could therefore be made within five years.

Results could be achieved by the operation of the school area, said Mr. McCarron. Education

Era and Express classifieds bring results.

Douglas Smith, former Aurora boy, brother of Frank and Julius, will be a candidate for the presidency of the Ontario softball association which meets at Brantford over Good Friday weekend, and from all reports the tireless "Nig", who has served amateur sport tirelessly and well, should be a shoo-in.

We hope some district delegates will be present to lead a vote or two. Thanks for the invite to attend, and while it's not likely we'll be there, Mr. Smith can depend upon some lobbying.

We wonder how many remember when Smith played junior hockey and lacrosse in Aurora, later joining Toronto Aura Lee, when they had such players as Lionel Cunacher, the late Jimmy Green, the late Billy Burch, Arnold Mollenhauer, onetime Newmarket player, "Bullets" Applegath, and Bill Marsden who never played hockey in his life was a top-ranking coach?

Bill Norton is the first vice-president, and Bill Cox an executive member of Woodbridge Legion Branch. Both boys need no introduction to Ontario lacrosse fans. With the 2,000 seating capacity in the new arena,

and both playing strength and red-hot fans available at Woodbridge, don't be surprised if there's a senior lacrosse team there this season, with Pat James and Son Rowntree returning to the fold.

Lawson Mitchell, 14-year-old son of former Aurora coach Red Mitchell was one of the main cogs in the free-wheeling Lindsay midget club which eliminated Aurora in straight heats, and fairly decisive too. Aurora midgets made a mighty fine showing over the season winning 12 games and dropping three, and Bill Mundell can take a bow for a job well done with both midgets, bantams and pee-wees.

Both the latter clubs are still playing locally. From the midgets, Grant Edwards, Gerry Chapman and Meryl Winters are likely to be added to the roster of the Aurora Cubs for good reserve strength if nothing else. In addition to the above trio, Ron Starkey and George Keroff (goal), Bob "Moose" Andrews, Dave Urquhart and Ted McClenney (defence), Stew Wilson, Ron Knowles, Don Morning, Ted Rogers, John Richards, Bob McGann, and Cliff Murrell (forwards) completed the Aurora roster, and there's some splendid "stars of tomorrow" in that crowd. The midgets had quite a home-brew following, and they can hold their heads high on the season's showing.

Bob Hassard of Marlboros, who was signed by Toronto Leafs recently, played first base for Stouffville Beavers last year, but he'll be back next year with Stouffville it's expected. Howie Meeker, Max Bentley and Cal Gardner of the Leafs are all top amateur ball players. The signing of Hassard recalls the fact that he got his first real start in hockey with Charlie Rowntree when Charlie coached Richmond Hill juniors. He's the fourth player once handled by Rowntree who has made pro ranks, others being Scotty Mair, Billy Wilson and of course Joint McComb the pride of old St. Leo.

Charlie Warren, who has been pro at the Idlewild club at Orangeville will be in charge of the divot-diggers at the Highlands Golf Club this season. Warren is a former English player and comes well recommended and we personally know he did a swell job at Orangeville. Bob Moran who was at Highlands last year is a Jolly Tar now. Another district golf appointment is that of Archie Grimditch at the Uplands Club, Langstaff. Archie, a former star amateur, has been in the pro ranks for seven years and is in instructor.

Guess they can't fully retire the contention in most tournaments as well as being a fine

in their first year away from the roar of the crowds, in any event, Harry Milroy, former Sutton-Markham star for at least 15 years who retired from the Millionaires roster this year, is playing intermediate T.H.L. this winter, and "Whammy" can still find the net. Memory corner will always hold a place for three great sportsmen who passed to their reward in recent weeks. Bill Snyder, late secretary and treasurer of the Ontario Baseball association, who died in harness at Hamilton, was one of the most efficient executives it has ever been our pleasure to meet. He was "Mr. Baseball" for many, many years and he could give you a decision pretty fast, via phone, wire, or letter. O.B.A. decisions were handed out the fastest of any amateur decisions. Haskett, Nighswander, James, Simmons, and all the other North York baseball enthusiasts can tell you how accessible he was by phone at all hours. His shoes will be hard to fill.

At Kingston Alfie Pierce, venerable colored mascot and assistant trainer of Queen's University football teams will be missed by the entire Tricolor student and faculty body as well as the thousands of men and women who thrill to the sound of "Cha Giel, Cha Giel". A great athlete in his day, Alfie was a fixture with the team and as long as he was able, led the Queen's U teams on the field. He had a great memory and could recall all "his boys" years after their college days, despite never having seen them for quite a time.

Marbles and skipping ropes are out. It's play-off time in hockey. This is an important week for the Spits. Boils down after all the semaphoring wig-wagging to Shipbuilders from Collingwood and Spits for the Big Seven Int. A crown. Teams go three out of five.

Bit grim for a time for the Mollymen after losing two to the Shipbuilders. They worried back in by huddling Midland "Flyers" in two straight. Features of last Thursday 2-1 was a close checking duel; Al Shewchuk's puck juggling paid off for the winning goal.

Seemed evident from where your observer sat that the Midland coach sent his boy, Adams, out deliberately to get Al Shewchuk out of the game in final minutes. It worked to the extent of two minutes but that was one penalty Al Shewchuk didn't deserve.

Shots on net were Newmarket 29, Midland 24. Spits came back singing the praises of "Pink" Tunstead for his work at Midland. "Pink" fired the winning goal in the 7-6 triumph. He snaked his way through the entire Midland team. Spits were two men short at the time, to fake Midland goalie, Gagnon, right out of his sweater.

Whisperings: Lions may default their annual game with the Optimists this winter, we're told. Are the Lions going chicken or maybe those jibes to watch out for Corrigan and Warner had a telling effect.

We're told Keith Nisbet, Aurora Highlands golfer, has been made a director of the Ontario Golfers Assoc. Slipped our mind, but did you notice in the recent home and home set with Owen

**Keswick Knocked Out From O.R.H.A. Play**

Keswick's rural hockey platoon has been put on the shelf so far as O.R.H.A. play goes. It dropped a pair to Woodville. At Woodville Keswick suffered from the shorts losing an 8-4 decision. Last Tuesday at home the "Flu-suiten Keswickers" lost a 9-3 decision. In road game Ted Anderson smashed out in a rash of goal scoring to snap in four. Al Smith ran his mate a close second with three. Ivan Rye collected the final Keswick scoring point.

At home defenseman Jack Cole added the snap, crackle and pop to the Keswick attack with a brace of goals, playing coach Ken Davie drove in the final tally.

If, as and when ice is available, Keswick and Sutton are scheduled to tangle in a series for the tri-county rural crown.

**Davis Tanners Tie Up Finals With Hoffman**

Roaming the ice with a championship glitter in their eyes, Harry Thoms' Davis "Tanners" laid down a terrific scoring barrage to knock off "Cegars" McDonald's Hoffman "Ironmen" 13-8 at the arena Monday.

The win rolled back the tide of elimination threatening to engulf the Tanners and squared the best in three Town League finals at a game each. The decider comes up Monday. Almost matching the free scoring gusto of the game was the penalty parade as Referee Loring Doolittle thumbed 20 bad boys to the cooler.

Hoffman bounced into an early 2-0 lead but from there on closed up shop as the Tanners started going at a mile a minute clip to pump in four goals a period.

The Tanners goal-getters were Bohmer Groves (4), Bruce Townsley (3), Stan Pollard (2), Reg Baker, Ken Groves, Deb Cooper and Robt. Budd who nailed down singles. Bohmer Groves, Ken Groves and Bruce Townsley fattened up their scoring averages with a brace of assists. Ken Groves, incidentally, was on loan from the Towners as a replacement for injured Jack Groves.

Cliff Gunn was the Hoffman pace-setter with three goals and two assists. "Red" Wilkins and Lloyd Cudmore dug in for two goals each. Ted "Shorty" Greenwood rounded out the Hoffman scoring with a single marker.

**Indians And Wheelers Decide Semi-Final Set**

Aurora "Indians" and Winged Wheelers out of Toronto coached by Harvey "Busher" Jackson, former Leaf Kid Line star, are causing all kinds of excitement in their Trolley League semi-final go.

They're deadlocked now in their best two-out-of-three set at a game each.

Both games have been decided by a one goal margin. At home the Indians appeared to have received a knock-out punch as Wheelers surprised with a 4-3 win. Monday the Indians went back on the warpath to turn the tables on Wheelers 5-4 on their home ice at Woodbridge.

In the series starter Don Fullerton, Wheeler wingman, golfed in a shot half-way through the finale, his second of the night, to shatter a three-all tie and give Wheelers the 4-3 edge. Jim O'Hearn batted in a first period tally, as Aurora scored at a goal a period clip. Jim had help from Harry Morrison and Bill Mundell on this one.

Rex Bailey working in cahoots with Bill Patrick accounted for the second Aurora counter. Grant Firth tipped in a Don Wilson pass up for the third period counter. Aurora lacked direction in its shooting and had trouble with strong Wheeler blue-line force.

Monday a three-goal second period provided the main cog in the Indians tying the series. Keith Wardell, Laurie Thoms and Grant Firth gave Aurora a one-all tie in round one, with Wardell doing the actual shooting. Laurie Thoms from Jim O'Hearn, Jack Ramsey from Bill Smith and Bill Patrick and Harry Morrison unassisted were the Aurora second period scoring plays. Harry Morrison with Bill Mundell and Jim O'Hearn the pass supplier fired what proved to be the winning goal at 14:08 of the third.

**Aurora D's Lose First Of Their Group Finals**

Despite a fast and furious stretch drive that pulled 'em within one of the equidizer, Andy Closs' Aurora D Cids lost a tough 8-7 decision to Orono "Orphans" at Aurora arena Tuesday.

The black side of this surprise dumping is the fact it was the first game of the group finals.

That leaves the Closs kids faced with the task of winning in Orono tonight, Thursday, or packing up its hockey gear, the group finals being settled on a two-out-of-three basis. In their stretch drive the Cids flaked a stinging attack outscoring Orono 4-1 and had Aurora arena, with the largest crowd in some time, in an uproar. Defensive lapses and a couple of "softies" enabled Orono to take off with a 7-3 over the first two chukkers.

Scanning the scoring account, Grant Edwards and Don Clayton cuffed in a pair each, near as you please. Then we come to one goal lads Chris Wansborough, Artie Barber and Andy Closs, Jr., whilst column shows Closs, Jr., with two, Artie Barber and Bobbs Cook with one each.

Orono number one asset was Ray West who smacked in two goals and worked his head off to supply three pay-off passes.

**Aurora Midgets Ousted From O.M.H.A. Play-Offs**

Aurora's final standard bearer along the O.M.H.A. playoff trail faded off stage a week ago Thursday. Bill Mindell's midget hopefuls who earlier raised a hope of a brighter tomorrow, were handed an 8-3 licking on home ice by Lindsay.

This, on top of a shattering defeat at Lindsay 9-2, handed Aurora from the play-off circle by a 17-5 margin on the round. Aurora goal-getters Thursday were Grant Edwards, Stew Wilson and Gerald Chapman. Ted Rogers and Don Morling coming in for assisting credits. Aurora coached the third round by eliminating first Newmarket then Bowmanville but ran into their first O.M.H.A. defeat against Lindsay.

**Archers Are Active At The High School**

Along with the most of us, Newmarket Archers are looking forward to the true arrival of spring. Meanwhile, club members are keeping hand and eye in good trim by means of short-range target practices. These are carried out at the high school on Monday and Wednesday evenings.

Monday starting time, 7:30 p.m. is devoted to teaching and getting juniors and beginners started. If you have a mind to take up this healthy sport come right along any Monday and the archers will even lend you equipment for a start.

Wednesday comes the serious side, with target shooting fun prizes. Each member takes part in the competition, has a handicap and over the past two weeks 12-year-old Edna Markham has captured top honors. A new handicap system and a new competition is starting and will run through to April 18. Three prizes are being offered. All members and prospective members are requested to come along.

**Lose First In The Play-Offs, Spits Play At Home Tonight**

The Newmarket Spitfires are a game down in the best three out of five set for the Big Seven International A group title, Tuesday, playing on Collingwood's commodious ice cushion, the Spits couldn't quite stave off a last ditch rally put on by the home town Shipbuilders dropping a 5-1 decision.

For 52 minutes of see-saw action our Spits trailed 2-1, Bill Mabbett with Ken "Motts" Thoms supplying the pass punched in a first period marker. Then the Shipbuilders, in those final eight minutes, got the jump on the Spits' two quick goals and added spike before they could batten down the hatches and the game was a gone goose.

Game two comes up tonight at the arena. This is a must for the Spits. Every loyal Spitfire fan, his cousin, uncle and aunt are asked to be out to root for the home team. Come on!

**Victory Over Midland Gives Spits Chance At Group Title**

Al Shewchuk and Myles McInnis rated the appreciative glances of their fellow Spitfires—and some 700 odd Newmarket rooters last Thursday. It was these two steady performers who shot in goals to give the Spitfires a 2-1 win over Penetang-Midland "Flyers".

The win assured the Spits of another crack at Collingwood "Shipbuilders" for the group title.

Both goals were unassisted. It was by long odds the smallest point swing the Spits have had to split this season as both teams laid down a strong checking barrage.

Myles McInnis' goal came by dint of just good hard work. Bill Mabbett and a Flyers' defenseman battled and took a header behind the Midland cage. Myles picked up the disc and dippy doddled his way in front to snap the biscuit behind Gagnon in the Flyers' cage. This happened at the 5:40 mark of the first.

Less than a minute later the Flyers had tied it with a goal

**On the alleys**

Grant Blight, again the hot-shot pin spitter in the Hoffman circuit, stalked out a 7-2 (238, 258, 241). Joe Rundle was a close second, 7-9 (219, 223, 287). Other individual marks in the over 600 bracket were Clarence Sainsbury 656, "Casey" Jones 617, Bill VanZant 623, George Hill 603.

Scoring Friday, Press Shop six, Machine Shop one, Vordone five, Office two. League standing, Press Shop 79, Vordone 66, Sheet Metal 52, Office 53, Machine Shop 56.

Davis bowlers slipped a bit last week, claiming only three over 600. Top marksmen, Len Bunting 691 (228, 227, 261), Gen. Inglew 680 (227, 261, 261), Ken Parsons 661. Scoring last week, Townsley five, O'Brien two, Allen five, Tunney two. League standing, Tunney 47, Townsley 45, O'Brien 32, Allen 26.

Audrey Stevens checked in with top honors in the ladies' league last week, averaging a 62 (171, 184, 221). Her top-close scores were: Audrey Gatti 741 (185, 183, 188), Edna McGrath 684 (211, 238, 134). Other good individual marks worth a note were posted by Hester Clark 656, Mary Gaborne 603, Claire Pollock 554, Edith Hall 558, Annie Stoddard 515, Alled Rose 515, Marie Chan 511.

Two sweeps recorded last week: Dubs and Spark Plugs sweeping the floor with Pannas and Cubs. Pannas three, Wizards one. First four teams punched for the ring: Spark Plugs and Pannas 43, Wizards 43, Cubs 42, Pannas 41, Pannas 39.

**Aurora Badminton Forces Lose Out To Willowdale**

Aurora badminton forces were turned back in their bid to gain ground on the league leading Newmarket club last week, losing to Willowdale by a 3-2 margin. Aurora swept to two wins in the men's doubles; Willowdale ladies captured both contests with Aurora losing three out of four in the mixed doubles contests.

Present league standing was Newmarket in front with four points, Aurora and Willowdale in hot pursuit with two points each.

Results with Aurora players named first were as follows: men's doubles: E. Gage and W. Oliver defeated B. McDonald and E. Chambers, 15-11. P. Wims and W. Preston defeated H. McGregor and R. Healey 15-9.

Ladies' doubles: P. Angle and M. Johnson were defeated in hotly contested game by E. Chambers and A. Ramsey 13-15. McKenzie and M. Nisbet were defeated by N. Kirkbride and J. Healey 10-15.

Mixed doubles: P. Angle and B. Oliver were defeated by D. Chambers and D. Macdonald 12-15. P. McKenzie and E. Wims won over N. Kirkbride and E. Chambers 13-11. M. Johnson and E. Gage were defeated by J. Healey and H. McGregor 4-15. M. Nisbet and W. Preston were defeated in an extra point closely fought set by A. Ramsey and R. Healey 10-13.

**N.I.L. SEAMS**

Favorites did as was expected of them Friday in the N.I.L. semi-final openers. Leafs sparked, plugged by Bob Fortin's three-goal feat rolled up a 6-3 win over Canadians. In the night, cap Freeman West went haywire in a scoring way to drive in seven goals, all unassisted, to lead the front running Red Wings to an 8-3 win over Rangers. The semi-finals go as a best two-of-three set it was learned on the weekend. The series resuming at 5 p.m. Friday evening.
